Dear applicant,

Thank you for your interest in working at POhWER. I'm delighted that you're interested in joining us – your application is the first step.

POhWER was established in 1996 by a number of founders, all of whom had disabilities and were fighting social injustice and challenges in their lives. If this sounds like something you want to be a part of, please read on.

If your application is successful, you'll join a team of passionate professionals that over the past year has supported more than half a million people through our free, independent, and confidential services. As POhWER's Chief Executive, our open, candid and inclusive work culture is what I think makes POhWER such a special place to work. If you are up for joining us, I would welcome and encourage you to apply. Thank you again for your interest in working for POhWER.
