Calling all Volunteers

READY... STEADY...

Don't just take our word for it.....

Meet Ed! He is a regular volunteer with Go Beyond. We are so grateful for him and the children and young people love to spend time with him. Here is what he has to say!

I love volunteering at Go Beyond because I get to do all the fun activities the children do. More importantly than that I know I am helping Go Beyond help children living difficult lives.

**The children get a fun break, get a boost to their self-esteem and are better able to cope with what they are going through. I love chatting with the children and learn a lot from them. I come away from a break tired, but relaxed and know I have done something worthwhile -
