

We're looking for a Trustee – Treasurer

Bring your financial expertise and help us shape brighter futures

At Options for Life, we believe everyone has the right to live a fulfilled and independent life. We are a Sandwell based charity that supports adults with learning disabilities and/or autism to build confidence, learn new skills, access their communities, and make informed choices about their lives.

With two purpose-built centres and over 65 staff, we provide a wide range of services from outreach and hub-based activities to supported community access and drop-in sessions. Our work takes place in one of England's most disadvantaged areas, where our services can make the greatest impact.

Join Our Board as Treasurer

As we plan to expand our reach and develop new services, we are seeking a Treasurer to help guide our financial strategy and governance.

We are looking for someone with a background in finance or accounting, who can:

- Oversee our financial health in collaboration with our Head of Finance and CEO
- Ensure effective financial controls, policies, and reporting are in place
- Play an active role in the Finance Committee and wider Board decision-making
- Present clear and insightful financial information to fellow Trustees

We welcome applicants from all walks of life, including those with lived experience of disability or who are new to governance roles. A strong commitment to inclusion, good judgment, and a collaborative spirit are essential.

Make a lasting difference.
