

2. Work & Volunteer Experience

Please provide details of any previous work, volunteering, internships or other experience, indicating the main responsibilities and skills you used or gained. Please indicate the duration of each, if the position was paid, and whether it was full- or part- time

3. Application Questions

3.1 Why do you want to intern at the Foundation and how will this internship be of benefit in your chosen career? (est 100-200 words)

3.2 Please tell us about your relevant experience and how you will add value to the Foundation team (est 100-200 words)

3.3 Are you particularly interested in any specific programme or area of our work? Please tell us about any relevant related knowledge or expertise you already have (max 100 words)

Referee Details

The Foundation will need to secure two satisfactory references before confirming any provisional offer of employment, and will request you to provide details of your referees at that stage. Referees should have known you in a managerial employment, academic, or professional capacity.
