Appointment: End of April / early May 2024

Start Date: June 2024

Counterpoints Arts is a leading national organisation working at the intersection of arts, migration and social change. For 11 years, Counterpoints Arts has been at the vanguard of cultural commissioning and practice, supporting and producing the arts by and about migrants and refugees, ensuring that their contributions are recognized and welcomed within British arts, history and culture.

The range of Counterpoints Arts' work has grown considerably since it was founded in 2012 and we are now seeking a new Treasurer with a strong financial background and the skills and experience that will complement those of existing Board members. We are particularly interested in recruiting someone whose values align with the charity's mission and overall team culture.

Counterpoints Arts aims to attract and retain talented people from all backgrounds to its Board of Trustees. We particularly welcome applications from those who have been historically excluded from the cultural sector, including people with lived experience of displacement, people of colour and other ethnic minorities, people who identify as LGBTQIA, disabled people and people from a working class background.

- Acting as a signatory for other relevant forms, such as grant agreements
- Keeping the Board informed about its financial duties and responsibilities
- Sitting on recruitment and disciplinary panels, as needed
- Be available to provide ad hoc support and guidance outside of quarterly Board meetings and in exceptional circumstances, as needed

- An understanding and acceptance of the legal duties, responsibilities and liabilities of trusteeship
- An openness to share with Counterpoints Arts your extended expertise, pathways and networks

In addition, Counterpoints Arts may organise more structured meetings to discuss specific matters and strategy directly or on issues that are urgent.
