

Wanted: trustee with financial experience to help improve the UK's housing system (voluntary)

We are a UK charity seeking to improve the UK housing system by making health and wellbeing central to the way we create and care for our homes and neighbourhoods. We need a trustee with financial experience to join our board and help us improve people's quality of life.

Come and make a difference with us

RESPONSIBILITIES:

- Oversee and advise on the creation and implementation of the Foundation's strategy and business plan
- Sit on the Finance, Governance and Risk sub-committee, to ensure appropriate presentation of budgets, accounts and reserves for the charity and its trading subsidiary
- Represent the Foundation at external events and share its aims

Apply: send a CV and cover letter outlining your experience, and suitability for the role to mail@qolf.org

YOU NEED TO:

- Understand current legal duties and financial practices relevant to charities and their duties under the Charities Act
- Communicate with clarity, integrity, and agility to resolve issues and prioritise objectives
- Work effectively as part of a team committed to the Foundation's mission and vision

BENEFITS OFFERED:

- Induction, training and reimbursable expenses
- The opportunity to network with a board of esteemed industry professionals
- The chance to influence and improve the UK housing system
