

3ST NWL is seeking to recruit for 5 new trustees, including a Treasury with a recognised professional finance qualification from any of the CCAB accountancy bodies.

3ST (Third Sector Together) NWL is an alliance of the voluntary and community sector across the eight boroughs covered by the North West London (NWL) Integrated Care Board (ICB).

The voluntary and community sector across North West London is as diverse as the communities we serve. Our role is to support the VCSE in influencing and engaging with our health system and the delivery of meaningful services.

3ST has evolved from an informal alliance into a formal legal entity, achieving significant milestones along the way including:

- A clear governance structure
- Recognition as the VCSE alliance partner by the NWL ICB
- Funding to support and build the alliance
- Representation on key governance boards which has strengthened our influence within the healthcare system.

We are seeking to strengthen the skill base of our Board of Voluntary Trustees by appointing 5 new Board Members including an individual with a professional finance qualification from any of the CCAB accountancy bodies, to support our continued evolution.

3ST are particularly interested in candidates who can bring skills/experience in one or more of the following areas;

Financial Management and Accounting

- Procurement and Contract Management
- Human Resources
- Charity Governance

You will be expected to attend at least 6 meetings a year as well as at least one strategy day session a year. Meetings are online or in person in North West London.
