Ross-on-Wye & Monmouth Sea Cadets

Volunteer With Us

Become an Adult Instructor

Do you enjoy working with young people and want to make a real difference in your community?

We are looking enthusiastic volunteers to join our friendly supportive team.

This is your chance to mentor and guide young cadets ages 10-18. You assist or lead the delivery of fun, engaging activities, from helping with hands on learning to cheering them on as they try new things.

Gain new skills, experience and recognised qualifications.

No previous experience needed, - Just enthusiasm, reliability and willingness to get involved either on a Monday or Thursday evening.
