

JOIN THE COMMUNITY REGEN TEAM

Trainee Community Engagement Coordinator - Cambridge

Help people connect, participate and make their neighbourhood thrive.

WHERE	WHEN	CONTRACT	PAY
CB1 Estate, Cambridge	22.5 hrs/week (3 days)	Fixed term Part time	£26,150 FTE £15,690 pro-rata

CLOSING DATE 5PM, MONDAY 26 OCTOBER 2026

A role with people at its heart

Are you passionate about people, community engagement and helping neighbourhoods thrive? Community Regen (www.communityregen.net) is looking for a Trainee Community Engagement Coordinator to join our team at the heart of the CB1 Estate in Cambridge.

You'll work alongside our experienced CB1 Community Engagement Coordinator, who will support and train you. Together, you'll help deliver activities, events and partnerships that bring residents, businesses, students and local organisations together—building your practical skills and confidence as you grow.

This developmental role is ideal for someone looking to gain practical experience in community engagement and community development. You'll receive structured induction and ongoing mentoring, with opportunities to take on more responsibility over time.

Working days are usually Monday, Wednesday and Friday, with some flexibility, occasional evening/weekend work and the option of home working alongside regular time on the CB1 Estate.

How to apply

Please click on the links below for the job description and application form or email info@communityregen.net for the job description and application form. For an informal discussion contact: Paul Bragman on 07887 721825
