# What is sarcoma?

Sarcomas are uncommon cancers that can develop anywhere in the body, including the muscle, bone, tendons, blood vessels and fatty tissues.

15 people are diagnosed with sarcoma every day in the UK.

There are around 100 different subtypes of known sarcoma.

A key symptom of sarcoma is a lump that is increasing in size, often quickly.

**Sarcoma UK is a national charity that funds vital research, offers support for anyone affected by sarcoma cancer and campaigns for better treatments.**

## ABOUT SARCOMA UK

Sarcoma UK is the only cancer charity in the UK focusing on all types of sarcoma.

### *Our vision*

Where everyone affected by sarcoma cancer has the treatment, care and support they need.

### *Our long-term vision*

All people with sarcoma will be diagnosed earlier, have better experiences and live longer lives with less long-term effects.

### *Our mission*

To ensure everyone affected by sarcoma receives the best treatment, care, information and support available and to create the treatments of the future.

### *What we do*

- Drive awareness of sarcoma cancer.
- Find answers through funding sarcoma research.
- Provide information and support to anyone affected by sarcoma cancer.
- Campaign for better treatments and to improve standards of care.

### *Our goals*

- More people will survive sarcoma.
- More will be known about the causes of sarcoma.
- Everyone affected by sarcoma will have access to the best treatment and care.

# OUR VALUES

## Equality, Diversity and Inclusion Statement

**Sarcoma can affect anyone. That's why we fund vital research, campaign for better treatments and offer support for everyone.**

We know that we have more work to do to make Sarcoma UK more representative of all the people affected by sarcoma. That's why we want to hear from you whatever your gender identity or expression, sexual orientation, religion, ethnicity, age, neurodiversity, disability status, economic background or any other aspect which makes you unique.

Being part of Sarcoma UK means that your uniqueness will help bring about a world where fewer people are affected by sarcoma.

And that's a win for everyone.

## **Support Line Nurse/Advisor**

The successful applicant will work closely with the Support Line Manager and team to deliver support for anyone affected by sarcoma. The post holder will be part of a growing Support Line team and be part of the continued expansion of the service as we grow in exciting new directions in 2024/25. This is an ideal role for someone who wants to expand their knowledge and experience in a role that can make a real impact for people affected by sarcoma and their families.

Information and support for those affected by sarcoma is at the heart of our charitable objectives. Thanks to the amazing generosity and support of the sarcoma community, Sarcoma UK's profile and influence has grown significantly in the past four years. This has enabled us to grow our Information and Support Services.

### **Support**

In February 2016 we launched our nurse-led Support Line. We have answered over 24,000 queries from patients, carers, family members, friends, and health professionals. We are independent and confidential, offering time and a listening ear, and help people to find the right answers for them. We help regional and national peer support groups to run effectively across the UK. These groups offer a lifeline to people affected by sarcoma. We offer annual grants to each group, attend group meetings to give presentations, provide speakers and give support and advice to group leaders.

### **Information**

Sarcoma UK provides health information to those affected by sarcoma, their families and friends. Our range of patient guides cover diagnosis, treatment, rehabilitation and many other issues faced by those affected by sarcoma. Our information is very well received by patients and health professionals.

**Sarcoma UK**

The bone & soft tissue

In March 2018 we launched the Sarcoma Clinical Trials Hub on our website. It is an accessible way for the sarcoma community to find out about sarcoma clinical trials in the UK.

Sarcoma UK aims to produce the highest quality information for the sarcoma community. We work in line with NHS England's certification scheme, The Information Standard, to ensure the information we produce is clear and reflects the most up to date clinical guidance. We involve sarcoma experts and people with personal experience of sarcoma as reviewers of our information to ensure our information is accurate and relevant to our target audience.
