Introduction

This is an exciting time to join UK-Med. We have expanded significantly over the last few years and have an ambitious strategy in place for growth.

The world is experiencing an unprecedented level of humanitarian need. Natural disasters, disease outbreaks and conflict can hit at any time. The people affected are often the poorest and most vulnerable and the health problems they experience post-disaster are long-lasting. We believe that they deserve the highest quality emergency medical aid. We seek to save lives, but also to build resilient health systems so that people can lead healthy lives in the future.

At UK-Med, we work together to:

- **Respond** rapidly to emergencies, delivering the expertise needed to support local health services and save people's lives.
- **Prepare** health staff through training and capacity building, enabling health services to be better prepared for emergencies.
- **Learn** and share learning worldwide through our academic partners, ensuring patients get the best care.

This is a pivotal time in our history to join UK-Med. At the end of February 2022, we received the first of many calls asking for help with the crisis in Ukraine. We now run programmes across Ukraine including surgical support, health clinics, and emergency preparedness training. More than 20,000 people have already received direct support or training from UK-Med as a result.

In June 2022, we were awarded EMT (Emergency Medical Team) status by the World Health Organization. A month later, we were formally appointed to provide EMT services for the UK government. As such, we are at the front line of the Foreign, Commonwealth and Development Office's response to humanitarian crisis and can also respond to any crisis, anywhere in the world, under our own banner.

We are very excited about our plans and hope you will join us on this extraordinary journey.

David Wightwick

UK-Med Chief Executive Officer

Advert

Role:	Operations coordinator
Remuneration:	£31,500 per annum
Duration:	Permanent
Location:	Manchester, UK (hybrid working available)

Can you provide excellent operational administration and coordination both in the UK and deployed internationally?

UK-Med is a frontline medical aid charity. Born of the NHS, we've been working for over 30 years towards a world where everyone has the healthcare they need when crises or disasters hit.

We are recruiting internally for an Operations Coordinator who will provide support and administration to our humanitarian health operations, working closely with our operations managers, deploying and deputising as required as well as working on key aspects of grant management and proposal development.

Our Ideal candidate will combine excellent office administration experience with solid theoretical understanding and practical experience of the humanitarian sector.

You will have excellent interpersonal skills and be able to coordinate effectively with people from a range of culture, professional backgrounds, and perspectives.

We offer a competitive salary and benefits along with a friendly working environment and the opportunity to make a real difference through an influential role in our humanitarian programming.

How to apply

To apply, please submit a current CV and a supporting letter (no more than 2 pages) that includes a detailed explanation of your suitability for this post with specific reference to the essential criteria in the person specification.

Applications must be submitted through our [online jobs portal](#) no later than **Friday 20th of September 2024**.

Applications for work in the UK can only be accepted from people with an existing right to work in the UK.

UK-Med is committed to safeguarding of our personnel and beneficiaries and has a zero-tolerance approach to sexual exploitation and abuse. We conduct thorough vetting before any appointment is confirmed.

UK-Med is committed to the principles of diversity, equality, and inclusion. We strive to provide an inclusive and supportive environment where employees feel respected and supported to be able to fulfil their potential.
