Who are Resurgo?

Resurgo means 'to rise up again'

We use our expertise in coaching and impact management to inspire and equip organisations to transform society. We launched the **award-winning Spear programme** over 20 years ago, and there are now 17 centres across the country, equipping unemployed 16–24-year-olds facing barriers to employment with the skills and mindset they need to find work and to thrive once they're there. [Meet some of our previous trainees](#)

"Society today is facing huge challenges, so to be part of an organisation that believes in delivering lasting social change is inspiring" - **Sam Mead, Head of Impact**

The Spear partnership

All Spear coaches work face-to-face with young people, having the privilege to invest in their lives, but receive regular training as a group, so you'd be joining a network of many likeminded coaches eager to see young people's lives radically impacted.

Resurgo is partnering with **Lighthouse London Church** to deliver the Spear Programme in Camden!

The impact

Since its inception, the Spear Programme has worked with more than **10,000** young people, of whom **75%** are consistently in work a year later.

Our recent [Data Labs evaluation](#) with the DWP showed that taking part in the Spear Programme **reduces the likelihood of being NEET by 20%** compared to those who do not.

This year we are hoping to work with over 1000 young people across the 15 Spear centres and to launch a further 4 Spear centres – **we'd love you to join us on the journey of making real impact.**

Are you a confident and experienced leader, with a heart for social justice and passionate about positively transforming society?

Then this could be the role for you. Join us as our next Centre Manager, and use your leadership and interpersonal skills to head up our team delivering employment support in *Camden*

You'll be working with the local church to manage the delivery of Resurgo's award-winning Spear Programme. Over the last 20 years, Spear has equipped more than 9,000 young people across the UK with the work-ready skills and mindset they need to succeed in employment, no matter the barriers they face.

We believe each young person has huge potential. If you do too, and you have the skills and heart to see their lives transformed – join us.

Diversity and Inclusion

Resurgo is built on a passion for social justice and a desire to see transformation in all areas of society. This includes in the areas of diversity and belonging within our own teams. We actively champion diversity, not for its own sake, but because we know differences in backgrounds, ways of thinking and opinions make us stronger.

Our coaching approach helps us build and maintain a culture where everyone not only has a seat at the table but feels like they truly belong there. This plays out in different ways - think meetings where your participation is encouraged and valued regardless of your seniority; line managers who really listen to you and equip you to have autonomy in your role; and a senior team who want you to be your authentic self.

Resurgo is a Christian charity, working in a range of settings, in partnership with people from all faiths and none. Our Christian faith underpins everything we do; it motivates and sustains us and is core to our mission.

As you would be employed by Lighthouse London Church with prayer and worship embedded into daily working practises, there is a Genuine Occupational Requirement for applicants to be practising Christians. There is also an expectation for the successful applicant to be embedded into the church and congregation.

The Spear coaching culture

We are passionate about the power of coaching to bring about robust change, and so we use coaching techniques in everything we do - whether delivering the Spear programme, or internally as our standard approach to line management and meeting facilitation. Coaching is all about empowering an individual to come up with their own solution to a problem, by offering high-level listening and questioning techniques.

If coaching is brand new to you, don't worry; all Spear coaches receive extensive and ongoing training in coaching techniques, delivered by our team of highly experienced Master and Professional Certified Coaches. We're proud that the ICF has also recognised Resurgo as one of the top 10 organisations in the world to demonstrate the positive effects of coaching, as one of **10 finalists in the 2022 ICF International Prism Award**.

You'll find Resurgo's coaching-based team behaviours (set out below) threaded through all we do:
