

Job Opportunity!

Centre Manager

About the role We have a fantastic opportunity for a Centre Manager to lead and develop our facility at Warrington Deaf Centre to its full potential. This is new and dynamic role where you will have an exciting opportunity to make a positive impact working closely with our dedicated trustees to develop and deliver a new 5-year strategy.

We have a vision to transform our centre into a thriving and vibrant resource for our local Deaf community.

Key Responsibilities

The role will have a wide remit that will include:

- Responsible for managing centre operations, providing leadership in strategic and operational planning.
- To be aware of funding sources and prepare bids for projects as opportunities arise.
- Identify opportunities to develop projects working with partners.
- Lead on development of initiatives and delivery of new programmes and services.

Essential Experience

The essential experience required for the Centre Manager role include:

- Community activity development.
- Fundraising, including creating funding bids and grant applications.
- Managing services or buildings with knowledge of health and safety policies.
- Working in partnerships.
- Managing budgets, overseeing funded projects.
- BSL Level 2 (or native).
- Good understanding of the Deaf Community and culture

If you think you are the person for the role with a positive attitude and a flexible approach, then we would love to hear from you!
