Job Summary

We are looking for two experienced, committed and enthusiastic Aspire NN Managers to co-lead the work for the partnership, you will work together to plan and manage the workload, taking the lead for a geographical area each (Corby/Kettering and Wellingborough/East Northants).

Whilst employed by Groundwork Northamptonshire you will be working closely with the Aspire NN partners to deliver a range of projects and developments as we build our programme of change for the sector. The Aspire NN Managers will co-manage the Impact and Project Officer forming the new Aspire delivery team.

Your excellent communication skills will drive Aspire NN's connection and relationships with the VCSE sector in North Northamptonshire, this is essential so we can ensure that the work we deliver is making a difference to VCSE organisations.

To request more information about the role including the job description and person specification please e-mail kate.williams@groundwork.org.uk (ensuring you indicate the role/area you are interested in applying for)

We really encourage an informal chat about the role before you submit an application, this can be arranged when you request the application pack.
