## EQUAL OPPORTUNITIES MONITORING FORM

We are committed to making sure that volunteering is accessible to all groups of people and that we work with disadvantaged and under-represented groups. We realise that some of the information we ask for is sensitive, however we need it to help our funders make sure that we are working with a wide range of people and to ensure equal opportunities for everybody. The information on this form is collected anonymously, is confidential and will be kept securely. It is up to you how you choose to define yourself and how much information you want to share – if you don't want to tell us you can tick the prefer not to say box.
