LOCATION:	Hybrid working part London Office (Islington, London) part home work. The post holder will work a minimum of 1 day per week in the office.
REPORTS TO:	Deputy Director of Fundraising (High Value)
KEY INTERNAL RELATIONSHIPS:	The High Value Partnerships team, The Philanthropy Team, Active Events Fundraising team, Marketing, Research Communications, Community Engagement team, SMT members.
KEY EXTERNAL RELATIONSHIPS:	JDRF corporate supporters, senior level corporate contacts. JDRF trustees and supporters

JDRF, the type 1 diabetes charity, funds research to cure, treat and prevent type 1 diabetes. We provide information and support for individuals and families living with the condition at all stages, from diagnosis and beyond. We give a voice to people with type 1 diabetes, ensuring we maintain a focus within the UK and internationally on finding the cure.

JDRF is an organisation with a clear mission – to find a cure type 1 diabetes. This clarity creates a dynamic and collaborative place to work. We want our employees to be committed and go the extra mile for us. In return, we provide a supportive and rewarding working environment, with room to grow.

DEPARTMENT

This role sits within the Fundraising and Engagement Department. JDRF receives no government funding so all of our income is generated by the activities of the Fundraising Department. The department is a high performing team working across the UK to deliver on challenging fundraising targets. We are an enthusiastic and committed team, collaborating across the organisation to generate income to find a cure and support the type 1 community.

PURPOSE OF THE ROLE

To lead on the development, including the research and approach, of new high value corporate partnerships (£50k to £500,000 plus) that will benefit the work of JDRF either financially and/or strategically.

To account manage and grow income from corporate partners both new and established.

KEY TASKS

Delivery of new business partnerships

- To work proactively to secure strategic opportunities that have long term benefit to JDRF.
- To lead on pitch and project teams to secure funding from across the corporate fundraising mix, including longer term strategic relationships, charity of the year partnerships, sponsorship and cause related marketing campaigns.
- To undertake research on corporate prospects, particularly by mapping and utilising existing connections and networks to establish new avenues of corporate support and to lead on these approaches.
- To lead on the preparation of high quality, compelling proposals, presentations and pitches for prospective partners.
- To present the work of JDRF in a way which engages new corporate partners.
- To develop, manage and grow relationships with new and established corporate clients to build sustainable income generating partnerships.
- To build effective internal relationships which maximise opportunity and income for JDRF.
- To attend events and support contacts within the business environment.
- To support the day to day running of the team by providing administrative support to your areas of responsibility such as: financial administration, office administration and database management.
- To support the Deputy Director of Fundraising with the development and implementation of the corporate fundraising strategy, income/expenditure budgets and operational plans.

- To work with the Deputy Director of Fundraising to raise awareness of JDRF and type 1 diabetes amongst the corporate community.

Income generation

- To deliver against income targets as agreed with the Deputy Director of Fundraising and the Director of Fundraising and Engagement.
- To ensure expenditure budgets are tightly controlled and savings made where possible.
