

CORPORATE PARTNERSHIPS MANAGER

Application Information

July 2024

Welcome

Hello prospective candidate! We are really pleased that you are interested in working with us here at The Lullaby Trust. Let us tell you more about our organisation.

It is a key time to be joining the charity as we continue to save babies' lives and support bereaved families. The charity has been hugely successful, but the work is far from done. The impact of the sudden death of a baby is wide and never goes away, as we know from the families that we support. This drives all our work, across each department. We are a close and friendly staff team who all share passionately in the charity's objectives, vision and values.

The Corporate Partnerships Manager is an integral role in the newly structured Income and Engagement team. Whoever takes on this role will have a huge amount of scope and opportunity to really get to grips with our corporate partnerships, helping The Lullaby Trust drive its income forward to support the continuation of its five year strategy.

Jenny Ward
Chief Executive

About us

The Lullaby Trust is a charity that saves babies' lives and supports bereaved families. Around 3 babies a week still die from sudden infant death syndrome (SIDS) and we are committed to bringing that number down to zero.

Through educating parents on how they can reduce the risk of SIDS and investing over £12million in research, we have played a key role in reducing the number of babies who die from SIDS by 83%, saving the lives of more than 30,000 babies.

Each year we train thousands of health professionals to support parents in sleeping their baby safely. We campaign tirelessly to raise awareness of SIDS and ensure our life saving advice reaches all parents.

The Lullaby Trust supports bereaved families through our helpline and befriending scheme. Our work with the NHS to provide a Care of Next Infant Programme (CONI) offers a lifeline to bereaved families expecting a new baby.

At The Lullaby Trust, we provide an incredibly supportive working environment that embraces hybrid working, flexible hours, and individually tailored schedules. This empowers you to plan your work life according to your personal preferences and commitments, ensuring a fulfilling and balanced professional experience. If this interests you, we would love to hear from you!
