League culture

What do we do?

Animals are at the heart of everything we do. We strive to protect animals from being persecuted in the name of 'sport.'

We campaign for change

Standing up for those who don't have a voice, our hard-hitting campaigns inspire action and demand changes to legislation to protect them.

We educate

Our high-profile work in the media and expert behind the-scenes lobbying across the devolved nations, ensures we can create awareness of the plight our wildlife faces.

We provide intelligence to law enforcement

Our animal crimewatch gathers reports of suspected animal cruelty for us to investigate. Our in-house intelligence team provides packages for local law enforcement about those suspected of illegal activity to bring them to justice.

We safeguard the natural environment across our wildlife reserves

Our ten wildlife reserves provide a safe haven for animals to roam free from persecution. Our reserves allow space for wildlife to flourish with minimal intervention and after just a few years this has already seen positive environmental results.
