The College is looking for three new governors to take the place of retiring members. This is a fantastic opportunity to contribute your time and expertise to help make a difference to students' lives. Cambridge Regional College is one of the largest providers of vocational training and apprenticeships in the region, we provide full-time, part-time and work-based training to school leavers, adult and businesses. The College delivers apprenticeships to employers in virtually every sector of the labour market and provides targeted professional and business training in the workplace and at its state-of-the-art campus. We are based across two campuses in Cambridge and Huntingdon.
