In this role, your customer service expertise will shine as you understand client needs, assist with a diverse range of enquiries, and resolve issues promptly to deliver an exceptional and joyful experience for every customer that brings our mission and values to life.

We're looking for a warm, customer-focused individual who is passionate about delivering great service, creating meaningful connection with Stewardship's customers and prospective customers, and helping those we serve be the best stewards of the resources God gives them.

The impact you will have in this role

You'll be helping to make giving with Stewardship transformational, through building relationships with some regular customers as well as providing one-off support for others. You will engage the whole breadth of our customers, from those working in churches and charities, to individuals seeking to give generously or raise their own ministry support, all of them need our support to steward the resources God has given them.

Through taking phone calls, answering emails, and helping our customers with whatever they need, you will be serving generous Christian givers and the highly impactful churches, mission workers and charities which they support. Your work will equip, encourage and support our givers and ministry partners to become faithful, active stewards – transforming hearts and helping hands to steward responsibly and faithfully all that they give and receive.
