

## **Development Committee Member Overview and Person Specification**

Do you want to make a real and lasting difference to the landscape of gynaecological cancers? By joining our fundraising committee you will help fund world-leading research that will lead to better detection of, or even prevention of, these cancers.

The Eve Appeal is the UK's leading gynaecological cancer charity. Our aim is to prevent gynaecological cancers from developing in the first place, but if they do develop, we want to make sure they're detected early so more people survive their diagnosis.

We are successfully fundraising £1.5million+ per year to help make our goals a reality, and we're now looking to take our income, and impact, to the next level. Our Development Committee will work as a team to meet annual targets and will utilise their personal and professional networks to help make this happen.

We are looking for those who are driven by our mission and have access to personal and professional networks who may make philanthropic gifts to The Eve Appeal.

### **Person Specification**

- Passionate about the work of The Eve Appeal
- Access to, and willingness to approach/share, personal and professional networks which have the capacity to make philanthropic gifts to The Eve Appeal
- Ability to communicate effectively, and persuasively, about the work of The Eve Appeal
- A collaborative team-player who can work effectively as part of our development committee, as well as individually
- Previous experience on a development/fundraising committee could be helpful, but is not essential

To apply, applicants should send their CV and a cover letter (of no more than 2 A4 pages) to [david.lacey@eveappeal.org.uk](mailto:david.lacey@eveappeal.org.uk) Informal chats before applying are also welcome – please, again, email David directly to arrange this.

## **For the prevention and early detection of gynae cancers**
