Director of Growth

JOB DESCRIPTION AND PERSON SPECIFICATION

Growing Hope is a charity providing free therapy for children and young people with additional needs in partnership with local churches across the UK. We aim to grow hope for children, hope for families and hope in Jesus. Growing Hope was founded in December 2017 and has a vision to see 20 clinics set up across the UK by 2030. We have three clinics, King's Cross, Brockley and High Wycombe, and we are currently setting up a fourth clinic in Redbridge. Each clinic is a local CIO which runs in partnership with Growing Hope and the local church. We have worked with over 700 children, young people, parents, carers and siblings since we launched. As a national charity Growing Hope has trained over 1000 professionals & parents. We are continuing to expand, with the set-up of further local clinics on the horizon.

Role Summary

Growing Hope seeks a highly-motivated and experienced Director of Growth who is passionate about our mission. This position offers an exciting opportunity to lead and develop our Fundraising, Communications, Marketing and Clinic Growth functions. This will provide support for Growing Hope to continue making a tangible difference in the world and ensure the charity's long-term sustainability and growth. We are looking for candidates who are committed to Growing Hope's vision and values and can demonstrate these both within their interview and as they complete their job role. Growing Hope values:

HOPE

We believe Jesus brings hope to children, young people and families, even in the most difficult situations, and that underpins everything we do.

COMMUNITY

We are accepting of all and want everyone to know they are seen, heard and belong.

COURAGE

We are brave, choosing honesty over comfort, and tackling problems because we want to change lives.

INNOVATION

We are innovative, flexible and creative in our approach, always aiming for excellence.

GENEROSITY

We look out for others and share our time, encouragement, finances and skills.
