- Develop (on an annual basis) and manage the Directorate's annual income and expenditure budgets
- Lead change processes and initiatives that promote engagement and maximise the benefits of technology development
- Promote innovation and initiatives that will contribute to the organisation achieving its mission

People Management and Development

- Coach, develop and line-manage a team including the Head of Development, Head of Research & Advocacy, Head of Corporate Partnerships and Head of Communications and provide leadership to the whole directorate
- Take part in or lead recruitment activities depending on the role
- Support development activities for staff including delivering in-house training

Management Team

- Be involved in the development, implementation and review of MTL's strategies and plans, and track our achievements against them
- Develop service delivery plans for each project and use project management tools as appropriate
- Support management team colleagues in the effective running of the organisation, deputising for them in their absence

Growth

- Play a key role alongside the CEO and Deputy CEO in the development of new initiatives that deliver our strategic objectives
- Leading our growth through increased number and reach of our leadership and advocacy initiatives
- Identify new sources of income for the charity
- Develop a range of high-level strategic partnerships that benefit Making The Leap and allow us to further our ambitions
- Keep up to date with new practice in the field to inform and create new opportunities for MTL

Impact

- Oversee the organisation's performance methodologies and, where appropriate, identify and adopt new ones to better measure the effectiveness, outcomes, and impact of the organisation's work
- Maintain, facilitate and enable the development of (further) best practice across Making The Leap
- Contribute to the evaluation of impact strategies
- Oversee the production of an annual evaluation/impact report
- Build and maintain effective external relations to promote the ideas of Making The Leap and increase the organisation's influence and reach to relevant audiences

Communications

- Oversee consistent communications and promotions across all the organisation's programme
- Oversee the development and implementation of a marketing strategy for all the organisation's strands

Policy

- Oversee policy and research efforts that support the aims and the different strands of the organisation's activities
- Research and develop new advocacy initiatives

General

- Contributing to, implementing and monitoring delivery of the organisation's strategic plan
- Develop and maintain excellent working relations with internal and external stakeholders at all levels
- Represent the organisation at all times, including in stakeholder meetings and external events, such as round table discussions and conferences
- Managing programme budgets and reporting on financial status internally (and to programme Donors)
- Contributing to the leadership of the organisation by supporting the CEO and Deputy CEO and working with other senior leaders across the organisation

PERSON SPECIFICATION

Experience of:

- At least five years senior level experience of running programmes aimed at helping less-advantaged people
- A track record of leading a high performing and impactful team
- Contributing to, implementing and monitoring the organisational strategy
