Give your time. Share your skills. Make a difference

Volunteers are an important part of Goleudy Connect. By giving a little of your time, you can help us create a welcoming, supportive and inclusive space for people in our community.

Whether you have a particular skill to share or simply want to get involved, we would love to hear from you.

What could you do?

- Help with arts, crafts, cooking or music sessions
- Support community activities and events
- Help us collect food donations from local retailers
- Support food redistribution across our housing projects
- Share a skill, hobby or interest with our members

Is volunteering for you?

- You don't need to have previous experience. We're looking for people who are:
- Friendly and approachable
 - Reliable and enthusiastic
 - Respectful and non-judgemental
 - Happy to work alongside people from different backgrounds
 - Interested in making a positive contribution to their community

What we offer

As a Goleudy volunteer, you will receive:

- A welcoming induction
- Ongoing training and development opportunities
- Regular support and supervision
- Opportunities to develop new skills and experience
- Support from an experienced staff team
- Invitations to Goleudy events and our annual conference

Whatever your skills or experience, there may be a place for you at Connect.
