

Feltham Community Chaplaincy Trust

new beginnings for young lives

NEW BEGINNINGS. BRIGHTER FUTURES.

Supporting young men in prison and in the community to build better futures.

We support people of all faiths and none.

WHO WE ARE

Feltham Community Chaplaincy Trust (FCCT) works within HMP/YOI Feltham with young men aged 15–30.

We walk alongside them on their journey to a positive, purpose-filled future.

INSIDE HMP/YOI FELTHAM

We work with young men **6 months prior to their release**, equipping them with the tools, skills and support they need to prepare for life beyond the prison gates.

IN THE COMMUNITY

We continue to support them for up to **12 months post-release**, helping them to rebuild, reintegrate and thrive in their communities.

EVERY YOUNG MAN DESERVES A SECOND CHANCE. TOGETHER, WE CAN BUILD NEW BEGINNINGS.

WE PROVIDE:

1-1 mentoring and support

Emotional and wellbeing support

Life skills and confidence building

Education, training and employment support

Resettlement support

Community connections
