Job description

Job title	Education Training Consultant	Team	National Services
Job band	£36,946 - £39,208 (depending on skills and experience)	Reporting to	Head of Employability, Skills and Training
Hours	35 hours per week, 9am-5pm. Hybrid working. Part time considered.	Line managers	N/A

Approved by: Deputy Director of National Services

Updated: June 2024

Role purpose

Working within the Training and Consultancy team to deliver both in person and online training to predominantly educational professionals with the primary purpose of delivering and expanding on AET (Autism Education Trust) training contracts.

The Education Training Consultant will possess sound knowledge and expertise in the field of autism and education, specialising in delivering training and knowledge to support autistic children and young people to thrive within their education settings.

Providing consultancy services to a variety of settings, as well as and developing and creating resources to a wide network of corporate partners to drive a collective movement for change.

The role will support both education settings and organisations (employers and professionals) to become autism confident, whether this is through the delivery of AET and other careers/education related content, or within the support of employees and professionals to promote the recruitment, retention and progression of autistic people in the workplace and/or their autistic clients, ensuring the services they offer are inclusive and aligned to the Equality Act 2010.

Key accountabilities and dimensions

Training delivery and development:

- Provide interactive, captivating training both in-person and virtually, with an emphasis on educational settings.
- Responsible for capturing and monitoring evaluation of delivery and recording outcomes.
- Responsible for AET contract data reporting and calendar management.
- Responsible for peer reviews, ensuring all trainers meet AET criteria and for maintaining effective quality assurance processes.
- Using education expertise and knowledge to design bespoke training products, or adapt existing content, to support their understanding of autism and improve inclusive practice.
- Contribute to the creation and delivery of digital learning content to be utilised by external organisations, including employers and corporate clients, health

- and social care and education sectors.
- Provide consultancy services to education settings to include advising on practice and policy, complete workplace assessments, support in achieving autism confidence.
 - Manage, monitor, and report on client training and consultancy contractual deliverables.
 - Contribute to the creation and delivery of digital learning content to be utilised by external organisations, including employers and corporate clients, health and social care and education sectors.
 - Understanding and communicating clear client briefs to develop and deliver training courses, webinars and consultancy services to meet these objectives (including training, webinars, lunch and learns, environmental assessments etc)
 - Contribute to National Services team projects in response to training requests.
 - Ability to be flexible in travelling to different locations and working with a range of different audiences.
 - To train AaA internal staff on relevant training courses to share expertise and knowledge internally where applicable.
 - Responsible for effective and timely professional communication, orally and in writing with clients, colleagues and stakeholders
 - Responsible for capturing and monitoring evaluation of delivery and recording outcomes.
 - Responsible for managing own workload and delivering high quality services independently.
 - Working proactively with colleagues and wider teams including Youth Participation, Marketing and Fundraising, to ensure project activity is on brand and reflects the views of autistic children and young people.

Co-delivery:

- Adhere to the highest values of co-design and participation, contributing to Ambitious about Autism's (AaA) aims to ensure that the voices of autistic children and young people are heard in the development of the project and resources.
- Working with AET Contract managers in the delivery of AET contracts.
- Overseeing the development and management of recruiting, developing, and supporting autistic young people to become co-trainers, deliver training sessions online and in-person to a range of organisations across the country.
- Work with Participation team in engaging autistic Young People in co-design of training where applicable.
- Contribute to the creation and delivery of digital learning content in collaboration with autistic young people and external partners.
- Contribute to the creation of training content, materials and resources in collaboration with autistic young people.
- Ensuring training materials and resources are fully accessible to autistic young people including individuals with co-occurring learning disabilities or other co- occurring condition.

Additional duties

- Demonstrate a continual commitment to safeguarding and promoting the welfare of

children and young people.

- To uphold Ambitious about Autism policies to protect and safeguard pupils in order to secure their health, safety and wellbeing.
- Demonstrate a continual commitment to the promotion of diversity initiatives and the sharing of best practice in line with Ambitious about Autisms Equality, Diversity and Inclusion policy and procedures.
- Ensure the highest degree of confidentiality and data protection of all materials
- Demonstrate the vision and values of Ambitious about Autism in everyday work and practice, upholding the ethos of challenge and support where all pupils/learners can reach their full potential and maximise their engagement in learning.
