JOB PURPOSE

To inspire people with mental health conditions to progress, and to gain and sustain paid employment. Although you will receive full training and support, it's important you are aware of the potential impact this may have on your own mental wellbeing.

All Employment Specialists will follow the 8 principles of IPS, adhere to the IPS Fidelity Scale and achieve monthly targets and KPIs with the required administration and compliance.

13. Receive regular supervision and training to meet individual, team and organization's needs.
14. Contribute to the development of a service that is locally responsive and supports minority/disadvantaged communities.
