

Events Manager

Recruitment Pack
June 2026

For every child, for every school, for the future of our region.

Dear Candidate,

Schools North East is approaching its 20th year as the region's dedicated, independent voice for schools. Over that time, we have grown into a highly successful, dynamic, and influential charity, representing over 1,150 member schools in the North East and 400 specialist schools nationally. Our reputation as the Voice of North East Schools is firmly established - trusted by our members, respected by policymakers, and recognised nationally.

We are now entering the next phase of our journey and are recruiting a highly motivated Events Manager to join our small but very successful team. This is a diverse and challenging role which offers tremendous opportunity to shape and implement programmes that make a real difference in schools.

It requires someone with strong business acumen who is a target-oriented and driven individual, focused on achieving challenging targets. You must have significant experience in managing a large and successful events programme consisting of a diverse range of physical and virtual events, ranging in size from 20 to 700 attendees. In the academic year 2024/25, we supported over 3000 school leaders from the North East and beyond through our events programme.

You will be joining a small, committed and high-performing team, where people take ownership, work at pace, and care deeply about the difference we make. In return, this role offers a genuine opportunity to shape a key part of the organisation and to play a central role in its future direction.

If you combine strong delivery with curiosity, initiative and the confidence to develop new approaches, we would be delighted to hear from you.

Yours sincerely,

Chris Zarraga
Director, Schools North East
