One Million Mentors

One-to-one. One hour a month. One life changed.

"Mentoring has transformed my life. It has boosted my confidence in myself and my ability"

- 1MM Mentee

The One Million Mentors (1MM) opportunity.

This is a unique, community-based mentoring programme, offering young people aged 14-25 access to a trained mentor for up to 12 months.

Develop key professional & personal skills.

All while having a transformational impact on a young person. You might be that one mentor who best aligns with the goals and interests of a young person seeking a mentor who could benefit from support in these challenging times.

No prior mentoring experience needed!

If you have 5yrs of work experience or two years post graduate work experience, then 1MM will prepare you with online training, a choice of workshops, and ongoing support.
