As people are generally living much longer than ever before, there are many new challenges and opportunities facing society. God willing, the plan for our 11 care homes and nine independent living housing schemes is that they will provide wonderful places for people to live when they need care and support. As Pilgrims' Friend Society we also want to support, enable, and equip churches' pastoral and outreach work with older people.

Pilgrims' Friend Society has been providing Christian care to older people for over 200 years, and our expertise in the issues that matter to older people is of enormous relevance and much in demand. As a result, we are planning to invest

in developing our care homes and housing schemes and are exploring ways in which we can help equip churches around our schemes in their ministries to and with older people.

We are also open to enlarging our work by acquiring or otherwise collaborating with charities who have a similar Christian calling.

We hope the information in this pack will whet your appetite, and that you will prayerfully explore whether you might have a calling to join our us and help lead and deliver the work of the Society in this new phase of its development.

The Financial Accountant role at PFS is a key position within the organisation, focusing on the financial management of the legal entities associated with the Housing Schemes. With the recent addition of two new legal entities to the PFS group, this role holds a pivotal responsibility for overseeing the Finance sub ledgers.

The Financial Accountant will also play a crucial role in understanding and managing the unique financial aspects of PFS Housing schemes, fostering positive relationships with Housing Scheme Managers, and collaborating on various finance tasks associated with the Housing provided by PFS.

This role gives you the opportunity to work within a varied role, supporting our work through the timely production of high quality financial and management reports and information to enable effective decision-making across all our homes and housing schemes.

This is an exciting opportunity for someone seeking ownership and involvement in the financial dynamics of Housing Schemes within the PFS group.

# About Pilgrims' Friend Society

---

**Pilgrims' Friend Society (PFS) provides residential care homes and independent living housing schemes where older people can live fulfilled lives in their later years.**

Rooted in the Christian faith, we are committed to ensuring that the physical, emotional, spiritual and mental needs of each of our family members are met. Our family members are Christians or are sympathetic to the Christian faith.

We started our work in 1807, when we were known as "The Aged Pilgrims' Friend Society."

William Wilberforce was our Vice-President for nine years before his death and so we have a tremendous history.

In those days, we didn't have 'homes' or provide care. We provided pensions and grants to older Christian people to help them overcome the grinding poverty of those days.

We built our first 'home' in Camberwell, South London in 1834 and now have 20 sites throughout the United Kingdom in England and Scotland.

The majority of our work is still in residential care homes.

A number of these homes also have independent living accommodation on site, either in bungalows or flats.

We also work to help equip and inspire churches that minister to older people in their communities.

Our Support Office provides administrative support to all our homes and schemes.

Some of our support team work from their own homes in different parts of the country, especially if their job involves travelling to different sites.

# Our values

---

At the heart of what we do are our values – what we think is important about the way we face the world, the actions we take and the work that we do.

A shared set of values that we have developed together will shape the culture of the organisation as we work hard across so many different locations. Whether in a care home, a housing scheme, or elsewhere these values will help guide the way we connect with people, the way we respond to those in our care, and the way we plan for the future.

These four values – compassion, community, transparency, and excellence – will help us continue to deliver wonderful care and support for older people in the later years of their lives.

## Transparency

We believe that being honest and open is crucial to good work as this allows trust to be built in our communities. The Bible is clear that truthfulness is important, and that transparency helps us to flourish and do well (Ephesians 4:25 and Proverbs 28:13).

## Compassion

Compassion is at the heart of how we interact with people. Having compassion helps us treat each individual person as unique and precious, as we would want to be treated, and as the Bible says we should treat people (Ephesians 4:32 and 2 Corinthians 1:3-4).

## Community

We believe that all people are made to exist in relationship and that community is central to human flourishing. Working together in community creates a space of care, trust, and celebration, as well as generosity and sharing with others. The Bible speaks of the importance of being part of a community and we are encouraged to look outside of ourselves to the needs of others and to work together taking the interests of others to heart (1 Corinthians 12:26 and Philippians 2:3-4).

## Excellence

As we care for others, it's important that we strive for excellence in our work. This means that we do the very best we can, being committed to each task and the best outcomes for people. The Bible encourages us to work hard and do good with integrity (Colossians 3:23 and Titus 2:7).

# What we believe

## Pilgrims' Friend Society is a Christian charity, rooted in the Bible.

We believe that the teachings of the Bible are our sole and final authority.

We believe that there is one God in three persons, Father Son and Holy Spirit.

The good news of the gospel is that, although men and women are sinners, God has taken the initiative to save people from every tribe, tongue and nation. We believe that God will bring about the redemption of all things.

God sent Jesus Christ, His Son, to be our Saviour. Jesus became fully human and, at the same time, remained fully God.

Jesus came to buy us back from sin and death by living a perfect life, having no sin, and dying in our place on the cross.

But God's grace did not stop there. When Jesus ascended to heaven, the Holy Spirit was given by God to continue His work on earth.

It is this Holy Spirit who gives us new birth and brings us to repentance and faith in the Son. When the Spirit has begun such a good work in someone, He will bring it to completion.

At the time appointed by God, Jesus will return to earth in glory. He will raise the dead and judge all people. He will banish those not known to Him and He will take His people to be with Him in eternal glory in the new heavens and earth.

“ They will still bear  
fruit in old age, they will  
stay fresh and green ”
