Job description

About QCCA
QCCA is one of Camden's most respected voluntary sector organisations, based in the borough's most deprived area. Each year, we support around 3,000 local residents to live happier, healthier and more connected lives. We run a large youth service, an older people's programme, a food bank, Healthy Families activities, and a busy Advice & Advocacy service. 95% of our services are free, and demand continues to rise each year.

To meet this growth, we are seeking an experienced and ambitious Fundraiser to strengthen and diversify our income.

The Role
This position is suitable for either:
1. A Generalist/Trusts and Foundations Fundraiser
We welcome applicants with experience across the fundraising mix, including:

- Trusts and foundations (likely to constitute the majority of the work)
- Individual giving
- Community fundraising
- Events
- Stewardship and supporter engagement

Experience in small–medium charities is desirable. We want to understand how you can add value across QCCA's growing income needs.

2. A Corporate Partnerships Fundraiser
We are also very keen to hear from candidates with experience in corporate fundraising.
You will have the opportunity to grow a corporate programme from early foundations, building on:

- One major, long-standing corporate partner
- Regular approaches from companies seeking volunteering or social value opportunities

We are especially interested if you have:

- Experience converting corporate interest into multi-year partnerships
- A network of CEOs, CSR leads, HR professionals or corporate contacts
- Confidence in developing mutually beneficial opportunities

We'd welcome applicants:

- Returning from a career break
- Looking to move from full-time to part-time work
- A fundraiser from a larger organisation who now wants to see their work make immediate community impact
- Someone ambitious who enjoys growing new fundraising areas

QCCA is small but dynamic. Over the past year we've hosted high-profile events with supporters including Michael Palin, Alan Rusbridger and Alastair Campbell. We're looking for someone who shares our ambition.

Working Environment & Benefits

Our friendly, closely-knit team is based in our vibrant community centre in Queen's Crescent, Camden, North London.

We offer:

- Remote and flexible working options
- Free gym on-site for all staff members
- 30% discount for staff on payroll in our two Ofsted-rated 'Good' nurseries (Holly Lodge & Caversham Nursery) – ideal for staff with young children (https://qcca.org.uk/nurseries/)
- Supportive team culture

EQUAL OPPORTUNITIES

QCCA is committed to equal opportunities for all, in terms of service provision and employment. As an employee of the company, it is your responsibility to ensure equality of access to jobs and services to women, black and ethnic minorities, LGBTQ+ people, and people with disabilities, regardless of marital status, age, creed, religion and unrelated criminal convictions.
