A note on Transformation:

We're transforming volunteering at Scouts to make it easier, more enjoyable and rewarding. We'll be rolling out changes in phases to help us:

- Give a warmer welcome for everyone
- Deliver better learning
- Simplify how we volunteer together

All of which needs to be supported by easy-to-use digital tools.

As part of Transformation some of our language and titles will be changing over coming months, and County Commissioners are becoming County Lead Volunteers, District Commissioners are becoming District Lead Volunteers and so on, in this document we have started to reflect these new titles.

Why would I want to volunteer as a County Lead Volunteer in Scouts?

So what's in it for me you're wondering? Whilst volunteering as a County Lead Volunteer can be challenging at times, it is also incredibly rewarding and here's why, according to our current team of County Lead Volunteers in Team England..

As a County Lead Volunteer you will be able to really develop and hone your leadership skills by managing teams of remote volunteers across the breadth of the scout County of Greater London South & South East. Leading and managing volunteers provides so much more opportunity and experiences than with employees, what you can gain by doing this really well can be a **great asset for your professional life** as well as in Scouts. The issues and challenges that you find ways to tackle will stretch you as an individual and as a leader and you'll find yourself **discovering new things that you are capable of achieving.**

This role is all about people and one of the incredible benefits of volunteering in any role in Scouts, but even more so as County Lead Volunteer, is the teams of people you get to work with. You will inherit an incredible **team of dedicated people** leading Scouting in Greater London South & South East, from District Lead Volunteers who manage Scouting on a local level, to the people delivering high quality training for our Scout Leaders. As County Lead Volunteer **you get to inspire, motivate, shape and develop this team**, building friendships and establishing a sense of camaraderie focused around our mission for young people.

If you **get a kick out of seeing things happen**, achieving success and making a positive impact to a wide audience then the County Lead Volunteer role definitely provides all of that. In this role you will get to see the difference that Scouts makes to so many young people's lives across a large area, helping them developing skills for life, fostering friendships and providing so many incredible and unforgettable experiences.

As a County Lead Volunteer you have an **important role to lead the progress of our strategy.** One such element of our strategy where County Lead Volunteers play a leading role is in the provision of our Scouting programme to those harder to reach communities and groups of **young people who might not normally have the option** to take part. It will be your role to help lead our efforts to do this in Greater London South & South East. It is an exciting time to take up the reins and support this work to achieve our ambitious goals for new young people.

And if you're reading this thinking that it all sounds quite exciting and something you'd quite enjoy doing, but maybe you're worried about the timing or you might think there is someone else who would be better for the role, ask yourself **if not me, then who? If not now, then when?**

The role - County Lead Volunteer

Outline:

The County Lead Volunteer is a key volunteer leadership role within Scouting with responsibility for providing outstanding management and support for the eight Districts within the County. The primary focus for the County Lead Volunteer is to ensure that Scouting is able to reach every young person in the County; open to all regardless of faith, colour or social background, because we believe Scouting has the ability to change lives. This is achieved by leading the team of three District Lead Volunteers, and other County appointments as well as working with the Growth & Communities Teams (employed staff) to provide enough places to meet the demand for Scouting, and by ensuring that every youth member has access to a high-quality balanced programme that is challenging, relevant and rewarding.

Appointed by: Lead Volunteer for Greater London, via a search group process responsible to the UK Headquarters Appointments Advisory Committee

Main contacts: County Volunteer Teams, County Chair, County Network Scout Lead volunteer, members of the County Board of Trustees and its subcommittees, District Lead Volunteers, members of the Growth & Communities Team, other County Leads in the Region, Chief Volunteer of England, members of the local community, schools and other youth organisations in the County.

Key tasks:

- Provide proactive line management, including coaching, mentoring and guidance to District Lead Volunteers as well as other adult volunteers in the County who directly report to you including setting objectives for their work, holding regular one-to-one meetings and reviews.
- Build and maintain a sense of County team by holding regular team meetings with the District Lead Volunteers, County Chair, County team Members and other appropriate volunteers within your County team to collaborate and provide peer support.
- Lead a safe, open and transparent culture around keeping young people and adults safe through our Yellow Card and key policies.

- Play an active part within the Greater London regional team by joining short MS Teams calls, attending up to 3x meetings per year for County Lead Volunteers, led by the Lead Volunteer for

Appointment requirements:

Greater London and twice yearly Team England meetings for all County Lead Volunteers to contribute to the development of Scouting within England as part of the Headquarters team.

- County Lead Volunteers are required to validate the learning for our manager and supporter volunteer training scheme, completion of which is recognised through the achievement of a Wood Badge for the County Lead Volunteers role.

Moving forward learning will be broadly split into Growing Roots and Branching Out. Growing Roots is the learning volunteers need to do within their first 6 months of starting. Branching out is learning volunteers can access to further develop their skills and knowledge. It spans across a wide range of areas. Some of the learning is required if you want to do certain things – like learning for our accreditations - and some is there to engage in if and when it is helpful for the specific person.

The [Wood Badge](#) will continue to be available in the two versions we are used to - one for people focused on delivering the programme, and one for people focused on leading and supporting other volunteers. However, it'll be part of the Branching Out learning, becoming optional and open to all, and a volunteer will only get one Wood Badge.

As a key leadership position within Scouts we expect new County Lead Volunteers to set a strong example and complete required learning within the relevant timelines.

- County Lead Volunteers must be eligible for charity trustee status (as a member of the County Trustee Board).
- It is expected that whilst volunteering for this role you will undertake regulated activity.
- As an ex-officio member of the Council of The Scout Association, County Lead Volunteers are expected to vote on matters presented to Council including elect trustees to the Board and attend the Annual General Meeting, usually held on the first weekend in September.

Terms of appointment:

The initial length of appointment is at the discretion of the Lead Volunteer for Greater London, through discussion with the appointee, and is usually for a period of one to three years initially before a formal appointment review. Lead Volunteers may complete no more than a total of ten years in the role. Renewal and continuation of appointment is at the discretion of the Lead Volunteer for Greater London and appointment reviews may be conducted at any time at the request of the role-holder and/or Lead Volunteer for Greater London.

Note: Many of the tasks for which the County Lead Volunteer is responsible may be delegated to others in the County if appointed. Whilst the new appointee will inherit an existing team of volunteers in key County appointments, it is expected that new County Lead Volunteer will review and reorganise their team's objectives and roles as they see fit.

The current vacancy

We're currently looking for a County Lead Volunteer. This is a management role, and we need someone who can provide leadership, motivation and guidance to our other adult volunteers. A 'team' approach will be considered for this role.

The management structure of Scouting is as follows:

County Lead Volunteers support volunteers and other managers, known as District Lead Volunteer, who in turn support the managers of local Scout Groups. Adults at every level need support to ensure that they are motivated, inspired and focused on providing first-class Scouting. A good manager thanks other volunteers for their hard work, and helps to make sure that they feel happy and supported, week after week.

The County Lead Volunteer will also provide direction for the County and will help others see the bigger Scouting picture through solid leadership.

We believe that everyone in management roles within Scouting should adopt an approach that combines the skills of both leadership and management.

In South & South East London Scouts County there are several key tasks and activities which are carried out by the Lead Volunteer and the County's volunteer leadership team which would form part of the role and fall within the new County Lead Volunteer's scope to review, adapt and delegate accordingly. Some of these are carried out by the current County Lead Volunteer and some are delegated to Team Leaders or Team Members. The important point here is that we don't expect the County Lead Volunteer to be a super-hero and do all of this, or devote every hour of the day to the role.

Core Skill Areas

We've identified six core skill areas that make a good Scouting manager:

1. Providing direction

A good County Lead Volunteer will create a vision for Scouting in their County, and provide clear leadership to implement that vision.

2. Working with people

It is vital that a County Lead Volunteer can create team spirit amongst the other volunteers they work with, and can form effective working relationships based on trust and the fundamental principles of Scouting:

- integrity
- respect
- care
- belief
- cooperation

3. Achieving results

Good County Lead Volunteers ensure that goals are achieved, plans are seen through to completion, and that good relationships are maintained within and between Scouting Districts. Forging links within the local community is also an important aspect of development.

4. Enabling change

It is important for County Lead Volunteers to encourage volunteers to think of creative ways to improve Scouting across the County. They should then provide the support to implement appropriate changes.

5. Using resources

A good County Lead Volunteer will ensure that information and resources are available, helping volunteers across the County to continue to provide excellent Scouting opportunities to young people.

6. Managing time and personal skills

A good County Lead Volunteer should use their time effectively, and be willing to continue to learn and improve their skills.

Induction for new County Lead Volunteers

Induction plan delivered by the Growth and Communities Team

New County Lead Volunteers will receive a series of face to face and remote interactions with the Growth & Communities Manager, in conjunction with the Lead Volunteer for Greater London, as part of a structured induction for the role. These interactions will also include an opportunity to develop a plan of action in the role with dedicated support from staff within the Growth & Communities Team to implement actions around developing and growing Scouting in the County.

Headquarters Volunteer Induction Days

County Lead Volunteers are appointed by UK Headquarters to lead Scouting in their assigned County, and as such are a key part of the Headquarters Team, working in partnership with staff colleagues employed by the national charity, who are responsible for managing a range of nationally delivered services for local Scouting. New County Lead Volunteers are invited to attend a two-day Headquarters induction at The Scouts' national headquarters at Gilwell Park, London where you will have the chance to meet with key staff colleagues to put faces to names and explore the support available to you as part of the wider Headquarters team.

The Growth & Communities Team

The Growth and Communities Team is part of the UK Headquarters staff team within the Volunteering Operations Department, with field-based staff who cover the eight English regions. Teams of Growth and Recruitment Officers, Local Growth Operations Managers and Growth and Communities Managers work alongside Group Scout Lead Volunteers, District, County and Regional Lead Volunteers, as well as Assistant Regional team Members (Growth) to help open new sections, units and groups, provide tools to help existing groups to grow, provide training on adult recruitment, and support the induction of new volunteer managers in Scouting.

The Lead Volunteer for the Region is a key link between the Growth and Communities Team and local Scouting. Through close working and effective communication, the Lead Volunteer for the Region will develop plans with you and the other County Lead Volunteers in the team to ensure the best use of resources to achieve Scouting's goals for the region, as agreed with the Chief Volunteer of England. One Growth and Communities Manager manages the staff team for both the South of England regions and works closely with both Regional Lead Volunteers. The Growth and Communities Manager is line managed by the Deputy Chief Volunteering Officer.
