

TLG Graduate Programme

INFORMATION PACK

Introduction

TLG was founded out of a local church in Bradford that became gripped by the needs of struggling children and young people in their neighbourhood. Since then, the TLG team have been on a mission to bring a hope and a future to struggling children in and out of school. We work in partnership with local churches right across the UK and beyond, enabling them to get alongside and support children who are at a crossroads. TLG now oversees a network of churches across the UK and Portugal to deliver Early Intervention programmes and Make Lunch clubs tackling issues of holiday hunger.

The urgent needs of children living at risk of exclusion from school and families struggling to make ends meet would be overwhelming, if it wasn't for our even greater sense of hopefulness! We are full of hope because we see a church that cares and is perfectly placed to provide the support that is crucially needed, and we see God at work inspiring more and more churches to get involved.

Our Culture and Values

At TLG our work is often seen as a vocation, giving us a rich sense of purpose. We also believe work can be a great experience and enable people to grow into their full potential and includes:

Culture: We have a relational, appropriately collaborative culture that is big on celebration, fun and worship. We allow people to work flexibly and in their own style but have high expectations and accountability, fostering excellence in all we do.
