We currently have a vacancy for an inspiring person with a background in finance to join our professional and forward-thinking Trustee Board. The Trustee will support the Treasurer and Finance and Funding Committee in monitoring the financial administration of the charity and reporting to the Board of Trustees on that and its state of financial health, in line with best practice and in compliance with the governing document and legal requirements. All financial administration duties are carried out by the Finance Lead in the organisation.

A connection with our diverse Irish communities is desirable. As a member of ICC Trustee Board, you will demonstrate a strong commitment to the purpose and values of the organisation and offer the skills you have towards our common goal.

### The Time Commitment

ICC requires all Trustees to attend 6 Trustee Board meetings each year and to participate in the same number of Committee meetings. Meetings of the Board normally take place early in the evening. There are occasional 'away days' and further duties, but the main responsibility outside formal meetings is to give support via email exchange. Formal meetings can be via Teams as well as in person.
