ABOUT ISLAMIC RELIEF WORLDWIDE

Islamic Relief is a faith based humanitarian aid and development agency working to save and transform the lives of some of the world's most vulnerable people.

Established in the UK in 1984, we work in over 40 countries, providing lasting routes out of poverty, empowering people to transform their lives and serving all communities without prejudice. Close to the communities we serve, we work hard to understand their culture and needs and gain their trust. Our proximity means we can often respond swiftly to emergencies and work in areas that other organisations cannot access.

Our humanitarian and development projects help millions of people every year, contributing directly to the UN Sustainable Development Goals. We help communities to better protect themselves from crises and deliver lifesaving emergency aid when disaster strikes. We provide vital services such as healthcare, water and sanitation and hygiene. Our livelihoods and education projects empower people to escape poverty and build brighter futures. To maximise our impact, Islamic Relief develops the capacity of local partners to work alongside us

in delivering effective humanitarian interventions. Through global advocacy we push for positive change particularly on climate change, gender justice and forced displacement, and we develop Islamic perspectives that combine spiritual and practical insights to provide distinctive, practical approaches to the biggest challenges facing our world.

The high quality and impact of our work means we are among a handful of UK-based charities to have been certified against the Core Humanitarian Standard (CHS). As full members of the International Non-Governmental Organisations (INGO) Accountability Charter, Islamic Relief's excellence in transparency, good governance and social responsibility is recognised. Islamic Relief Worldwide is signatory to the Red Cross Code of Conduct, which sets ethical standards for organisations involved in humanitarian work and commits us to the important principles of impartiality, neutrality and independence.

OUR GLOBAL STRATEGY

Our global strategy aligns life-saving and life-changing programming with the push for systemic change to meet growing humanitarian needs across the globe.

Over the next 10 years, we aim to achieve three core outcomes:

1. **We will save lives and reduce vulnerability to humanitarian crises.**
2. **We will empower communities to tackle poverty and vulnerability.**
3. **We will advocate for change to the system to eliminate the global and local root causes of inequality.**

Our core humanitarian and development programme areas will continue responding to humanitarian crises with life-saving assistance, tackling food security and nutrition, and building sustainable livelihoods, health and education.

We will continue to work with our humanitarian partners across the world towards achieving the Sustainable Development Goals.

More details on our strategy can be found here: [Global Strategy 2023-2033](#)

OUR VISION

Inspired by our Islamic faith and guided by our values, we envisage a world where communities are empowered, social obligations are fulfilled and people respond as one to the suffering of others.

OUR VALUES

We remain guided by the timeless values and teachings of the Qur'an and the prophetic example (Sunnah), most specifically:

- **Sincerity (Ikhlas)** - In responding to poverty and suffering, our efforts are driven by sincerity to God and the need to fulfil our obligations to humanity.
- **Excellence (Ihsan)** - Our actions in tackling poverty are marked by striving for excellence in our operations and the conduct through which we help the deserving people we serve.
- **Compassion (Rahma)** - We believe the protection and well-being of every life is of paramount importance and we shall join with other humanitarian actors to act as one in responding to suffering brought on by disasters, poverty and injustice.
- **Social Justice (Adl)** - Our work is founded on enabling people and institutions to fulfil the rights of the poor and vulnerable. We work to empower the dispossessed towards realising their God-given human potential and develop their capabilities and resources.
- **Custodianship (Amana)** - We uphold our duty of custodianship over Earth and its resources, and the trust people place in us as a humanitarian and development practitioner to be transparent and accountable.

OUR GOVERNANCE

A crucial step, as we grow, is evolving our governance arrangements to meet the changing needs of the Islamic Relief family and the challenging environment in which we operate. In 2014 Islamic Relief Worldwide formally began an ambitious programme to overhaul our global governance so the Islamic Relief family can continue to operate effectively on a larger scale and remain true to the vision of our founders.

In 2020 the reform programme reached an exciting milestone, with the creation of IRW’s first ever International General Assembly (IGA). This is the highest body of the new Islamic Relief Worldwide governance structure and consists mainly of representatives elected by Islamic Relief partner offices across five continents, creating a body that is truly globally representative.

Up to a third of the IGA Board will be independent members from outside the Islamic Relief family, helping to bring additional specialist skills and experience, as well as increased diversity and accountability.

The IGA has established a new Membership Accreditation Committee (MAC), which oversees the operations of the Board of Trustees and strengthens accountability within the IGA.

The MAC is responsible for making recommendations on the suitability of members (both entities and individuals) to the IGA. These recommendations can potentially include the initial nomination, membership levels, renewals and ending membership. MAC ensures adherence to the rules governing membership of the International General Assembly and the Board of Trustees.

Alongside the IGA, our foremost global governance body, we also have a global executive branch called the Islamic Relief Family Council. This is a forum that brings together the chief executives of Islamic Relief Worldwide and all Islamic Relief partner organisations to enhance communication, strengthen relationships and provide strategic insight to help improve processes within the organisation.

This new governance model allows the Islamic Relief family to work more collaboratively in serving the interests of those who need our support, helping to build a stronger and more cohesive organisation overall. It also enhances shared ownership and joint decision-making, as well as helping to strengthen relationships and increase transparency.
