<b>FUNCTION:</b>	Programme Development – Impact	Support Delivering
<b>THE TEAM:</b>	The Impact Team is responsible for leading The King's Trust's approach to demonstrating our Impact. By defining the methodologies used to assess impact, giving clarity on what impact we want to have and proving our effectiveness and key areas for improvement.	<b>Specialist/Managerial</b> Technical Lead/Function Head Senior Leadership Team

## WHERE YOU WILL FIT

CEO	Director of Programme Development	Head of Impact	<b>Impact Manager</b>	Impact Executive
-----	-----------------------------------	----------------	-----------------------	------------------

## HOW DOES THIS ROLE IMPACT YOUNG PEOPLE?

Making an impact in young people's lives is at the heart of everything we do. Being able to understand, evidence and measure that impact is vital. It enables us to learn and improve the support we offer young people. It is also important in maintaining the trust and confidence of our funders and supporters and giving us the credibility to influence government, employers, and other sectors of society to play their part in maximising opportunities for young people.

## WHAT WILL YOU DO?

-  Manage evaluation business processes to ensure we can monitor and measure our impact and performance.
-  Work closely with the Technology team to develop products for the collection, storage, use and data protection compliance of young people's monitoring data.
-  Work closely with key stakeholders across The Trust, maintaining guidance materials and building capacity for best practices to improve data culture across the organisation.
-  Act as the Impact lead for projects that develop and improve centralised evaluation business processes, digital products, and systems.
-  Work closely with Delivery and Design colleagues to support the design and delivery of our programmes to young people and meet a range of stakeholder needs for evidence.
-  Maximise the value of evidence produced by the impact team through proactive and tailored communication with key stakeholders.
-  Provide an advisory role to support evaluation activities undertaken by colleagues throughout The Trust.
-  Support the development of the value and capability of the Impact function, including building knowledge of sector-relevant standards and communicating this to the organisation.
-  Lead on Theory of Change work for the programmes that we want to develop to support young people in employment and education.
-  Manage independent evaluation projects to maximise their value in providing learning and evidence.
-  Responsible for actively contributing to an equitable, diverse, and inclusive workplace.

## THE SKILLS YOU'LL BRING

All of the roles at The Trust are key to our success and there are certain skills we need to be successful. And while we will shortlist the most qualified people for the role, we ask everyone for a supporting statement. If you think you could do the role, but don't have all the desirable experience, we would still love to see an application from you.

### WE REALLY NEED YOU TO HAVE THESE

Skills & Knowledge	Why do we need this?
Good command of qualitative and quantitative research methods and analysis	You will ensure our impact practice is robust and credible for evidencing our work and driving improvements

Experience in developing a Theory of Change or logic model	You will be responsible for our Theory of Change approach and maintenance of Theory of Change resources

### WE WOULD LOVE IT IF YOU COULD DO THIS

Experience	Why do we need this?
Experience in the youth sector, especially provision in education, employment, or personal development	It would be beneficial to understand the challenges facing young people, and the evaluation approaches and frameworks used in the youth sector
Experience working in agile multidisciplinary teams	You will need to work across a large variety of stakeholders from Data and Analytics, Programme Design, User Research, Programme Delivery and Fundraising
Skills & Knowledge	Why do we need this?
A relevant skills-based qualification in qualitative or quantitative analysis	As these skills are critical for this role, it would be beneficial if you can evidence qualifications in this area

# WHAT DO WE EXPECT FROM YOU?

## OUR VALUES

Our values are at the heart of everything we do – they articulate who we are and how we work together to achieve our aims to help young people.

Here at The King's Trust, we're committed to equality, diversity and inclusion. We want to be an organisation that's representative of the communities we serve, which is why we strive for diversity of age, gender identity, sexual orientation, physical or mental ability, ethnicity and perspective. Our goal is to create an environment where everyone, from any background, can be themselves and do the best work of their lives.

We're a Stonewall Diversity Champion and we are Disability Confident employer. Our staff, volunteers and young people are supported by KT CAN (our Cultural Awareness Network), KT GEN (Gender Equality Network), KT DAWN (Disability & Wellbeing Network) and PULSE (LGBTQIA+ Network).
