Dear Applicant,

Radcliffe Housing Society are looking for an Independent Living Manager, who will join a small, exciting and dynamic team, within a growing, thriving and high performing organisation.

We're looking for a compassionate and proactive Independent Living Manager who has experience of supporting older or vulnerable people. You will need to have some knowledge of tenancy management and have a keen interest in supporting vulnerable people to live independently.

The Independent Living Manager is the first point of contact for all matters relating to tenancy, estate management and to promote wellbeing to support our residents to maintain their independence. The role covers many aspects of housing management including managing our empty homes, low level ant-social behaviour, and to ensure our residents are safe within their homes by your constant awareness of our health and safety compliance.

You will work with residents, other colleagues and Local Authorities in delivering high-quality services, that are tailored to meet local needs.

You will be responsible for two schemes situated in Bromley, Kent, with another scheme at St Leonards on Sea, East Sussex. There may be occasional travel to our Head Office in Riverhead, Sevenoaks.

This post will be based at any of those schemes, so we need someone that can work independently with minimal supervision.

Thank you for showing an interest in joining Radcliffe Housing Society.

I do hope that you will apply, and I look forward to receiving your application.

Yours sincerely

Daren Metcalf

Chief Executive

About Us

Radcliffe Housing Society (RHS) is a successful small independent Registered Provider of affordable rented homes.

In 2025, we celebrated our 60th birthday at Radcliffe Housing Society. We were established in 1965 by Marion and Norman Miller, and Beryl Hunt. At the time they had no idea how large it would become or for how long it would exist. Housing at the time was very topical and just as it is now, was in great demand. Using their experience as building surveyors Marion and Norman saw a way to help people who were unable to buy their homes.

Our properties are mainly situated across South London boroughs. Our homes are mainly general needs social rented properties, with 61 independent living units for older people in Bromley and a further 12 in Hastings.

We have grown over the last six decades and we now manage 278 rented homes plus 58 leaseholders across the eight boroughs of Tandridge, Tunbridge Wells, Bromley, Croydon, Lambeth, Southwark, Hastings and Sevenoaks.

Overall, we manage 418 properties and over 1,000 people occupy our homes. We continue to look for opportunities for further growth and partnerships.

Radcliffe has a strong financial base and plans over the long term to ensure the future viability of our business. We continue to build on what our organisation has already achieved in financial and operational objectives, against the backdrop of legislative and regulatory change. We have continued to earn our place as a high performing, leading smaller housing provider in London and the South East.

We continue on a journey of success and remain committed to creating sustainable communities, where people want to live. We have reviewed our objectives and the actions we need to take to support our visions. Our objectives are set out under three themes:

1. Great Customer Experience
2. Deliver Good Quality Homes
3. To Value and invest in our people
