- We provide support when students need it, helping them to access information, advice and support that enables them to overcome barriers and achieve their potential.

Inclusive

- We are a diverse and vibrant community with many different opinions, viewpoints, needs and experiences
- We value every member of our community and always try to ensure that our services enable everyone to participate in our activities and play a full role in student life
- We believe that everyone has a right to express their views and to be listened to and respected as a member of our community

Our Officers

Each year we ask UCL students to choose full-time Sabbatical Officers, who are elected by cross campus ballot, and serve as leaders of Students' Union UCL during their term of office. They are elected with a democratic mandate and have the goal of making positive change at the Union, UCL and beyond. In this role they serve as members of our Board of Trustees and work in partnerships with our Senior Management Team to represent students to the university and provide leadership to the Union's work.

We believe that becoming a full-time officer is one of the most impactful ways of making change happen. Officers work full-time on a special area that's important to them and represent students as members of our Board of Trustees and as members of senior university committees. They have support of full-time staff at the Union to ensure that they provide democratic leadership to our organisation. We also hold elections for a wide range of part-time voluntary roles.
