Location:	Manchester Children's Hospital, Manchester Royal Infirmary, Salford Royal Hospital, Royal Bolton Hospital, Wythenshaw (A+E), GMP Central Park Custody Suite Greater Manchester geographic area and Oasis Hubs The Navigator project will be provided with office space within hospital/custody suite and Oasis Hub space.
Responsible to:	Navigator Project Coordinator
Responsible for:	N/A

Organisational context:

Oasis believes that every person matters and, as a result develops community hubs that meet people's holistic needs – educationally, physically, spiritually, economically, environmentally and socially that can benefit the whole person and the whole community.

The post holder will be actively committed to Oasis values and ethos and part of Oasis wider hub team.

Purpose of Job:

In this role you will support young people aged 10-25 that have been impacted by Youth Violence. Offering holistic support to help them process what has happened and assisting them to move forward positively. We do this by;

- a) Providing 1:1 support to young people. Supporting the young person to design a bespoke support plan to address their needs and meet their aspirations. This will include linking young people into services and community-based support and activities.
- b) Delivering group work sessions within schools and other education settings.

- c) Being a physical presence in the Emergency Department/ Custody Suite, developing the skills and knowledge of clinical/GMP staff in engaging with young people who present as a result of being involved in violent incidents.
- d) Working within communities that have been impacted by serious youth violence.

Specific Duties: (Strategy/Planning/Organising)

1. Support young people referred to the project by offering:
 - a. 1:1 support and mentoring
 - b. Advocacy ensuring young people understand and are central to decision making relating to their support
 - c. Completing assessment of risk and support young person with safety planning
 - d. Providing a link into wider community-based provision
2. Work closely with relevant agencies, to develop a youth led multi-agency approach to address the needs of young people.
3. Supporting parents, carers and siblings to access support when appropriate.
4. Be an active presence in the selected Emergency Departments/Custody Suite on a rota basis.
5. Be involved in community response following critical incidents relating to serious youth violence this will include networking with local services and engaging young people through outreach.
6. Build capacity of professionals and community members in dealing with young people involved with violence.
7. Take part in the evaluation, strategy, and development of the project in an ongoing process.
8. Engage with GMCA and VRU to support development of evidence based models of youth violence prevention.

(Analytical/Creative thinking/Problem solving)

9. Contribute to high quality information gathering and sharing to demonstrate the support of individual young people/adults and the overall impact of the project.
10. Produce (and keep updated) a comprehensive information resource/directory of all the relevant services and organisations for referrals.
