We are a world-leading mental health charity for children, young people and their families. Our purpose is to take everything that we have learned over the last 70 years, and to transform the mental health of current and future generations of children and young people, to close the gap between mental illness and mental wellness - and to create a more compassionate society for everyone. Our vision is a world where all children and young people are supported effectively to enable them to develop their emotional and mental health, build on their strengths and achieve their goals in life. Our mission is to close the gap in wellbeing and mental health by advancing, translating, delivering, and sharing the best science and practice with everyone who impacts the lives of children, young people and their families.
