What we do

Around the world, we're translating, producing and distributing the Bible, helping people learn to read it and relate it to their everyday life, in addition to equipping pastors, teachers and other Bible communicators to promote its message. In England and Wales, we're resourcing churches and individual believers to increase their confidence in the Bible and working to change the perception of the Bible in wider culture. We believe the Bible is God's gift to the world, and we want everyone to discover its message for them.

Summary of role

You'll manage our ongoing relationships with mid-level donors to improve income, retention and re-engagement, including the development of bespoke engagement resources and providing opportunities for uplift.

In addition, through the management of a small portfolio of relationships with current and prospective major donors, you'll deliver significant levels of income against a target figure, helping donors accomplish their philanthropic ministry through their giving to Bible Society.

You will be required to optimise funding from existing and prospective major and mid-level supporters in line with Bible Society's mission priorities.

Main responsibilities

- Lead on stewardship of our growing caseload of mid-level donors, acting as a first point of contact to assist with queries, and report on impact. This will include the development of new resources and activities to increase engagement with this group
- Raise income from a small caseload of major donors by initiating and developing rewarding long-term relationships with existing and prospective major donor supporters of Bible Society
- Grow income from the mid-level caseload through proactive engagement and fundraising, including identification of prospects and escalation to major donor status as appropriate
- Work with the Legacy and Operations Manager to monitor financial performance and donor engagement plans on a monthly basis and make adjustments/improvements where needed and agreed
- Fulfil yearly income and strategic goals as set out in the Philanthropy Strategic Plan
- Fully utilise Bible Society's contact database (Salesforce) daily and ensure that all relevant information on people and activity is captured in compliance with data protection legislation
- Represent the full breadth of Bible Society's work and mission both at home and overseas

- Gain a good understanding of where funds are needed both at home and overseas, while working with others to co-ordinate the timely provision of supporting information/documentation, according to Bible Society brand guidelines
- Provide the highest standards of stewardship and relationship management through regular face-to-face, telephone and written communications, including events, reports and visits
- Collaborate fully with other Bible Society staff who are involved in key relationships to enable effective cross-departmental working
- Work efficiently with fundraising colleagues to deliver a joined-up programme of successful relationships and income generation

General

- Adhere to our policies and standards in all areas of your work
- Carry out ad hoc duties that may be required to ensure we maintain our effectiveness
- Participate fully in the corporate life of Bible Society by attending All Staff Meetings and departmental meetings as required
