

## LEGAL DIRECTOR (VOLUNTARY) Nothing About Us, Without Us

### The Vision

Neuroverse Community CIC supports disabled and neurodivergent young people aged 12–16 who are unable to access school. We deliver LAMDA drama, Science and neuro-affirming education in Nailsworth and Stroud, Gloucestershire — as a registered LAMDA Private Examination Centre. Our disabled and neurodivergent Founder is an ex-Charity Director, multi-award-winning education professional, former SENDCO and LAMDA Grade 8 holder. She has personally founded, run and delivered Neuroverse for 2 years, entirely voluntarily. Shortlisted: Scope Awards 2026 Purple Pioneer Award.

### The Role

We need a legally trained partner — SEND experience welcome but not essential:

- Ensure compliance with company law and the CIC community interest test
- Advise on contracts, IP licensing and governance
- Support our dual-entity structure (CIC and consultancy)
- Termly meetings — low time commitment, real impact

### Who You Are

A legal professional — ideally with SEND or charity law background.

Neurodivergent and disabled professionals especially welcome.

Allies who genuinely believe in Nothing About Us, Without Us are warmly invited.

Reasonable adjustments always available.
