Chief Executive – Letter to candidates

We are looking for an enthusiastic and inspirational Chief Executive to provide leadership at Gaddum; one of Manchester's oldest social welfare charities, delivering services across the Greater Manchester. The Chief Executive will be a role model, both within Gaddum and externally in our work across Greater Manchester. They will be passionate about our values and committed to our shared goals; to empower and enhance the lives of people in Greater Manchester.

Our experience of listening to generation after generation, for nearly 200 years, has taught us the importance of considering not just the individual but also the relationships around them. Our innovative approach means we can, not only build resilience, but identify further risks and offer preventive support now and in the future. At Gaddum, we believe that by supporting individuals, we ultimately help support entire communities.

At Gaddum, we treat everyone as individuals. We really get to know those we help, understanding their world to offer a range of support that's right for them. We're looking for someone with an in-depth knowledge of Greater Manchester and the communities we support, with a passion for innovation.

If you would like to apply, please refer to the Job Description and Person Specification when completing the application form. All applications should be returned to hr@gaddum.org.uk and candidates who are successfully shortlisted for interview will be notified via email or phone.

For an informal discussion about the role, and life at Gaddum, please contact our team at the email above.

Sincerely,

Elaine Mills
