

Spoted Regional Delivery Officer London, Full-Time

September 2026

Note from our CEO

Thank you for expressing an interest in this important and exciting role.

Every day across the UK, sport is used as a tool to improve lives, connect people and strengthen communities. But grassroots sport remains underfunded and undervalued. Local clubs and communities often lack access to the resources and expertise required to sustain or grow their activities, particularly in under-served communities. Access to sport isn't equal and sport isn't benefitting those who need it the most.

We are the UK's largest network of community sports groups across the UK (5,000) and we exist to provide vital support, resources and funding to the local heroes who make it all possible, ensuring that every community has access to the life-changing benefits of physical activity.

We provide our groups with the help needed to remain sustainable and deliver their services to those most in need. Our network has a powerful role to play in addressing growing inequalities and issues in society.

If successful, you'll join a remarkable Sported team of around 55 people with backgrounds and specialisms ranging from social/youth work and business development to sport development and social research. The delivery team are local to their groups and reside across the UK, with a central office in London.

Even more capacity is provided by our skilled, knowledgeable and passionate volunteers, who now number more than 200, supporting the leaders of our groups to build the effectiveness and sustainability of their organisations ... all so that they can do what they do best: positively influence and improves lives in communities across the UK.

Whether or not you apply for this role, and whether you are successful or not, I'm grateful to you for considering bringing your skills and energy to Sported and the amazing organisations we help.

Yours faithfully,

Nathan Persaud
Interim Sported CEO
