

# Volunteer Role Profile

Volunteer Role

**Marketing Volunteer**

Volunteer Manager

**Hospice Volunteer Coordinator**

Where you will be based

**Hospice**

## Why we want you

Volunteers are central to everything we do at Dorothy House Hospice and we couldn't support our patients and their families without our wonderful team of volunteers.

If you have experience in marketing we would love to welcome you to various teams across the hospice including the Communications team and the Fundraising teams.

By sharing your expertise with us you will be able to help us spread the word to our community about the vital work the hospice does and in turn help grow our network of supporters

## What you will be doing

- Working closely with various teams across the hospice to support their marketing
- Creating marketing materials
- Researching new marketing opportunities
- Improving and innovating our marketing materials

## The skills you need

- Experience of marketing
- Good literacy and writing skills
- Organisation skills
- Team player - happy to collaborate
- Creative ability
- Computer literate

## What's in it for you

- Be part of your local community and make a difference
- Meet new people
- Learn new skills
- Travel and pre-agreed expenses can be reimbursed
