

TOGETHER ACTiVE

Staffordshire & Stoke-on-Trent

Person Specification

Development Officer – Health and Wellbeing

ESSENTIAL

- 1) Excellent communication skills: ability to communicate effectively across a variety of platforms and to diverse groups.
- 2) Ability to build relationships quickly.
- 3) Demonstrates professional curiosity and ability to engage with complex health issues and systems.
- 4) Commitment to physical activity as a health intervention.
- 5) Passion for supporting underserved populations, working with individuals who are typically excluded from mainstream services.
- 6) Energetic and driven with a genuine belief in the positive impact that physical activity can have on the lives of people in Staffordshire and Stoke on Trent.
- 7) Demonstrates strong understanding of barriers to inclusion and accessibility in a health and / or physical activity context.
- 8) Maintains respect and empathy for individuals from diverse backgrounds.
- 9) Excellent skills in Microsoft Office.
- 11) Approachable with a sense of humour and humility.
- 12) Understanding of outcomes-based approaches to working.

DESIRABLE

- 1) Experience of working with the healthcare sector or Public Health.
- 2) Experience of working in the voluntary sector.
- 3) Lived experience of issues facing our communities.
