Pilgrimage

Development Lead

Job Pack

Hello!

Thankyou so much for your interest in the role of Pilgrimage Development Lead.

You would be joining us at a significant moment in our journey. Having established a strong foundation through our work in Oxfordshire, we are now entering an exciting new season of growth as we look to expand our reach and impact nationally. As we do so, we are deepening and extending the ways we support children in their spiritual journeys through Christian contemplative practices.

As we look to the future, we believe there is a unique opportunity to reimagine the ancient Christian practice of pilgrimage for a new generation, creating transformative experiences that help children and young people encounter God, explore faith and grow spiritually.

Christian pilgrimage is a spiritual journey that invites us to walk with intention, creating space to encounter God through places, people and shared experiences. Rooted in the centuries-old tradition of following in the footsteps of Jesus, pilgrimage recognises that the journey itself is as important as the destination, offering opportunities for reflection, wonder and spiritual growth. At BeSpace, we believe pilgrimage can help children and young people step away from the routines of everyday life, deepen their awareness of God's presence, and explore the Christian faith.

In this role, you will pioneer and develop BeSpace's pilgrimage offer, building partnerships and equipping churches to lead transformative pilgrimage experiences for school pupils. Working with schools, churches and other partners, you will test, refine and scale models of pilgrimage that help children pause, reflect and grow spiritually through contemplative Christian practice.

The job pack includes:

- Details of the role and key responsibilities
- The skills experience and qualities we are looking for
- Specifics around employment in this role
- An outline of the application process
- An overview of BeSpace
- What we believe

I very much look forward to reading your application and hearing why you feel called to be part of BeSpace at this exciting time.

About BeSpace

BeSpace is a growing Christian charity with a big vision: to see every child joyful, resilient and growing spiritually for life. We encourage and equip Christians to provide space in schools where children grow spiritually through contemplative Christian practices.

Children today are growing up in a culture marked by constant distraction, overstimulation and rising anxiety, leaving little space for spiritual growth or reflection (Highlighted in social psychologist Jonathan Haidt's book ***The Anxious Generation***, 2024). He outlines the urgent need for practices that foster stillness, attention and emotional regulation to countering the trends we see in society.

76% of people who come to faith do so before age 18 (Talking Jesus Report, Evangelical Alliance, 2022). Children raised in families of faith are more likely to continue that faith as adults, yet fewer children today encounter the Christian faith at home. Schools therefore represent a crucial missional opportunity for the Church, they are a vital point of connection between home, schools and church.

There is a clear need for Christian practices that:

- Nurture spiritual growth at a formative age
- Reconnect children with God and stillness.
- Support wellbeing

BeSpace responds to this need by equipping churches to offer distinctly Christian contemplative practices for schools that foster prayer, stillness and reflection. Through these, children are enabled to encounter God and explore their relationship with Him, the world, themselves and others, developing lifelong spiritual foundations that support both faith and wellbeing.

We have seen incredible impact through developing prayer and reflection spaces in schools across Oxfordshire. Since 2010, over 70,000 children have experienced them, led by local churches, trained and resourced by us, with over 60 schools hosting a space each year. Building on this momentum, we are now expanding the ways we support children's spiritual journey by encouraging and equipping churches nationally to offer a wider range of contemplative Christian practices in schools.

"the children (now)
know that they can

share

things, and also that
it's ok to have times
of reflection and
prayer whenever you
want"

"I felt safe and
warm because

God

was with us"

Our Values

Our values guide how we behave & make decisions. They will give you an insight into the culture we are seeking to create.

We seek growth in ourselves and our team, knowing that as we grow together, our team and the children we serve flourish into their God-given potential.

Statement of Faith Nicene Creed

We believe in one God,
the Father, the Almighty,
maker of heaven and earth,
of all that is, seen and unseen.

We believe in one Lord, Jesus Christ,
the only Son of God,
eternally begotten of the Father,
God from God, Light from Light,
true God from true God,
begotten, not made,
of one Being with the Father.
Through him all things were made.

For us and for our salvation
he came down from heaven:
by the power of the Holy Spirit
he became incarnate from the Virgin Mary,
and was made man.

For our sake he was crucified under Pontius Pilate;
he suffered death and was buried.
On the third day he rose again
in accordance with the Scriptures;
he ascended into heaven
and is seated at the right hand of the Father.

He will come again in glory to judge the living and the dead,
and his kingdom will have no end.

We believe in the Holy Spirit, the Lord, the giver of life,
who proceeds from the Father and the Son.
With the Father and the Son he is worshiped and glorified.
He has spoken through the Prophets.
We believe in one holy catholic and apostolic Church.
We acknowledge one baptism for the forgiveness of sins.
We look for the resurrection of the dead,
and the life of the world to come.

Amen.
