

Population Matters EDI statement

Population Matters is an inclusive and diversity-friendly employer. We value difference, promote equality and challenge discrimination, enhancing our organisational capability.

We welcome and encourage applications from people of all backgrounds and do not discriminate on the basis of disability, race, colour, ethnicity, gender, religion, sexual orientation, age and all other categories protected by law.

If you require any adjustments to make the process more accessible, or to arrange an informal conversation about the role, please contact Holly Risbey

holly.risbey@populationmatters.org.

We will use blind recruitment practices to minimise unconscious bias and please note that, due to the small size of our team, we will only be able to respond to applicants who have been shortlisted for interview.

Thank you for your interest in Population Matters.
