

Job Description: Psychotherapist

Job Title: Trauma Informed Psychotherapist /Systemic Practitioner/Psychologist

Location: Helen Bamber Foundation, London

Responsible to: Director of Therapy/Clinical Team Manager

Hours: 3 days per week (22.5 hours, 0.6 FTE) permanent

Salary: £38,000 (pro rata)

Benefits: 16.5 days holiday plus 4% matched pension contribution

BACKGROUND

The Helen Bamber Foundation is a human rights organisation with an international reputation for providing medical consultation, therapeutic care, legal protection, and practical support to survivors of trafficking and torture. We are a team of therapists, doctors, lawyers, caseworkers and administrators who help men, women and children recover from the emotional and physical damage they have suffered because of torture, human trafficking, or other forms of cruelty.

OVERVIEW OF THE ROLE

As a Psychotherapist within the Helen Bamber Foundation, you will work alongside our current Senior Psychotherapist and be responsible for supporting the Head of Therapies and the Team Manager in providing a comprehensive range of therapeutic interventions to clients of the Helen Bamber Foundation.

In addition to providing psychotherapy, stabilization, psychoeducation, and trauma focused therapy, this role will include delivery of psychological assessments for both medico-legal and clinical purposes, as well as delivery of clinical supervision to staff from non-clinical backgrounds who nonetheless have significant client contact, and supervision of assistant psychologists. As you develop in the role you will also have opportunities to contribute to the on-going development of the service and at times, the role may include input into policy, research and fundraising and delivery of consultancy and training.

We are looking for someone who is committed to working therapeutically with individuals who have experienced human rights abuses and who have developed trauma spectrum disorders as a result. The successful applicant will ideally have proven experience in working therapeutically with this client group, have a passion for human rights work beyond the individual client work, and a desire to contribute to effecting change at a policy level. This role requires the ability to be with the complex and sometimes harrowing details of a client's experience, and to react and respond creatively and appropriately to their needs. Additionally, you will be knowledgeable and experienced in consultation and assessment including
