

Reading Volunteer roles at Doorstep Library

What does Doorstep Library do?

We are a community-focused charity dedicated to bringing the magic of books and the joy of reading directly into the homes of children, either in person or online, across London and beyond who need our support.

1 in 4 children are now going to secondary school unable to read properly and because we know that reading for pleasure helps broaden children's opportunities in life, we use books to fuel children's natural love of stories, fire their imaginations, and encourage their appreciation of reading.

We are a small yet connected charity who really care about making a difference in the world by narrowing the gap between those who can and can't read.

Why volunteer with Doorstep Library?

- It's incredibly fun! You get to explore your inner child and share your passion for books and reading.
- We invest in our team of volunteers to ensure they are valued, supported and are developing.
- You will be a part of the Doorstep Library community of families, volunteers and staff members.
- You can make a real difference to the lives of others. Providing you with a real sense of purpose and achievement.
- You give back to the community you live in or the community you visit every week.
- You build your confidence and improve your self-esteem and mental well-being.
- You will develop skills and enhance your C.V.

"I've been trying to find a volunteering role for 3 years and nothing materialised because other charities weren't as organised. I nearly didn't apply to Doorstep Library because I thought I can't go through that again – but whatever [they] are doing, they are doing it right! The children are happy, my Project Leader is lovely. I can't fault it, five stars. I am enjoying it, everybody enjoys it!" - Hammersmith Volunteer
